

University of Toronto  
**Safe to Remove Tag**

Where necessary, the equipment identified below has been decontaminated to inactivate or remove potentially hazardous agents and materials used in the laboratory.

\_\_\_\_\_  
Equipment

\_\_\_\_\_  
Department, Building Name, and Room Number

To the best of my knowledge,  
this equipment or location presents:

***NO HAZARD FROM BIOLOGICAL, CHEMICAL  
OR RADIOLOGICAL AGENTS THAT WERE  
USED IN THE LABORATORY.***

\_\_\_\_\_  
Principal Investigator's Signature

\_\_\_\_\_  
Principal Investigator's Name

\_\_\_\_\_  
Building and Room Number

\_\_\_\_\_  
Telephone Number

\_\_\_\_\_  
Date

**Note:**

- If the Principal Investigator is not available, then the Departmental Chair should complete and sign this form.
- **It is a serious offence to falsify this tag.**

**Movers and Handlers:**

- Appropriate safety precautions must be taken when moving or handling large or heavy items, and may include:

*Eye and Hand Protection  
Protective Footwear  
Protective Clothing*
