This form MUST be signed by any person who wants to have access to the roof top of any University of Toronto building, whether supervised or not.

In consideration for permitting access to the roof top of any University building, I assume all legal liability for myself, my heirs, executors and assigns and hereby accept full responsibility for my own health and welfare in the event of any accident, howsoever caused. I agree to fully hold harmless The Governing Council of the University of Toronto, its employees, agents and assigns and keep them free from any obligation, responsibility or liability for any damage, injury or harm whatsoever that may arise out of my activities in relation to the purpose for which this permission is being sought.

I understand and acknowledge there are certain risks involved in going on to the roof tops of University buildings, including wind or unexpected bad weather (rain, lightning), slippery or uneven footing, birds or other animals and their droppings, loose material and uneven surfaces, and so on. There is also the possibility of doing damage to the roof itself or some other part of the building and that I may be held liable for any such damage.

I understand and agree that I will not install, add or remove any equipment, structure or object on any roof without express written permission and direct supervision to do so.
