

## F&S Innovation Challenge

Our new F&S strategic plan promotes the opportunity for staff to contribute their ideas. To encourage innovation, we've set aside funds to enable projects that come from our team members.

If you have an idea that will make it easier, faster, safer, more efficient to do your job and/or provide great service to our customers, we would really like to hear from you. Please complete the form below - individuals or teams may submit project ideas.

**How to submit:** Email or send by campus mail directly to **Nancy Dempsey**.

**Selection process:** Each application will be carefully reviewed and evaluated by the F&S Senior Leadership Team. We'll contact you if further information is required.

**APPLY NOW!**

**A. Name(s) and Role(s):**

**B. Department:**

**Manager:**

**C. Which of the strategic priorities does your idea best fit with? Select one.**

- Great place to work
