

Apr 13, 2026 at 10:34:17 AM  
60 St George St  
Toronto ON M5S 1A7  
Canada  
University of Toronto - St. George Campus

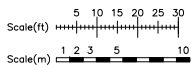

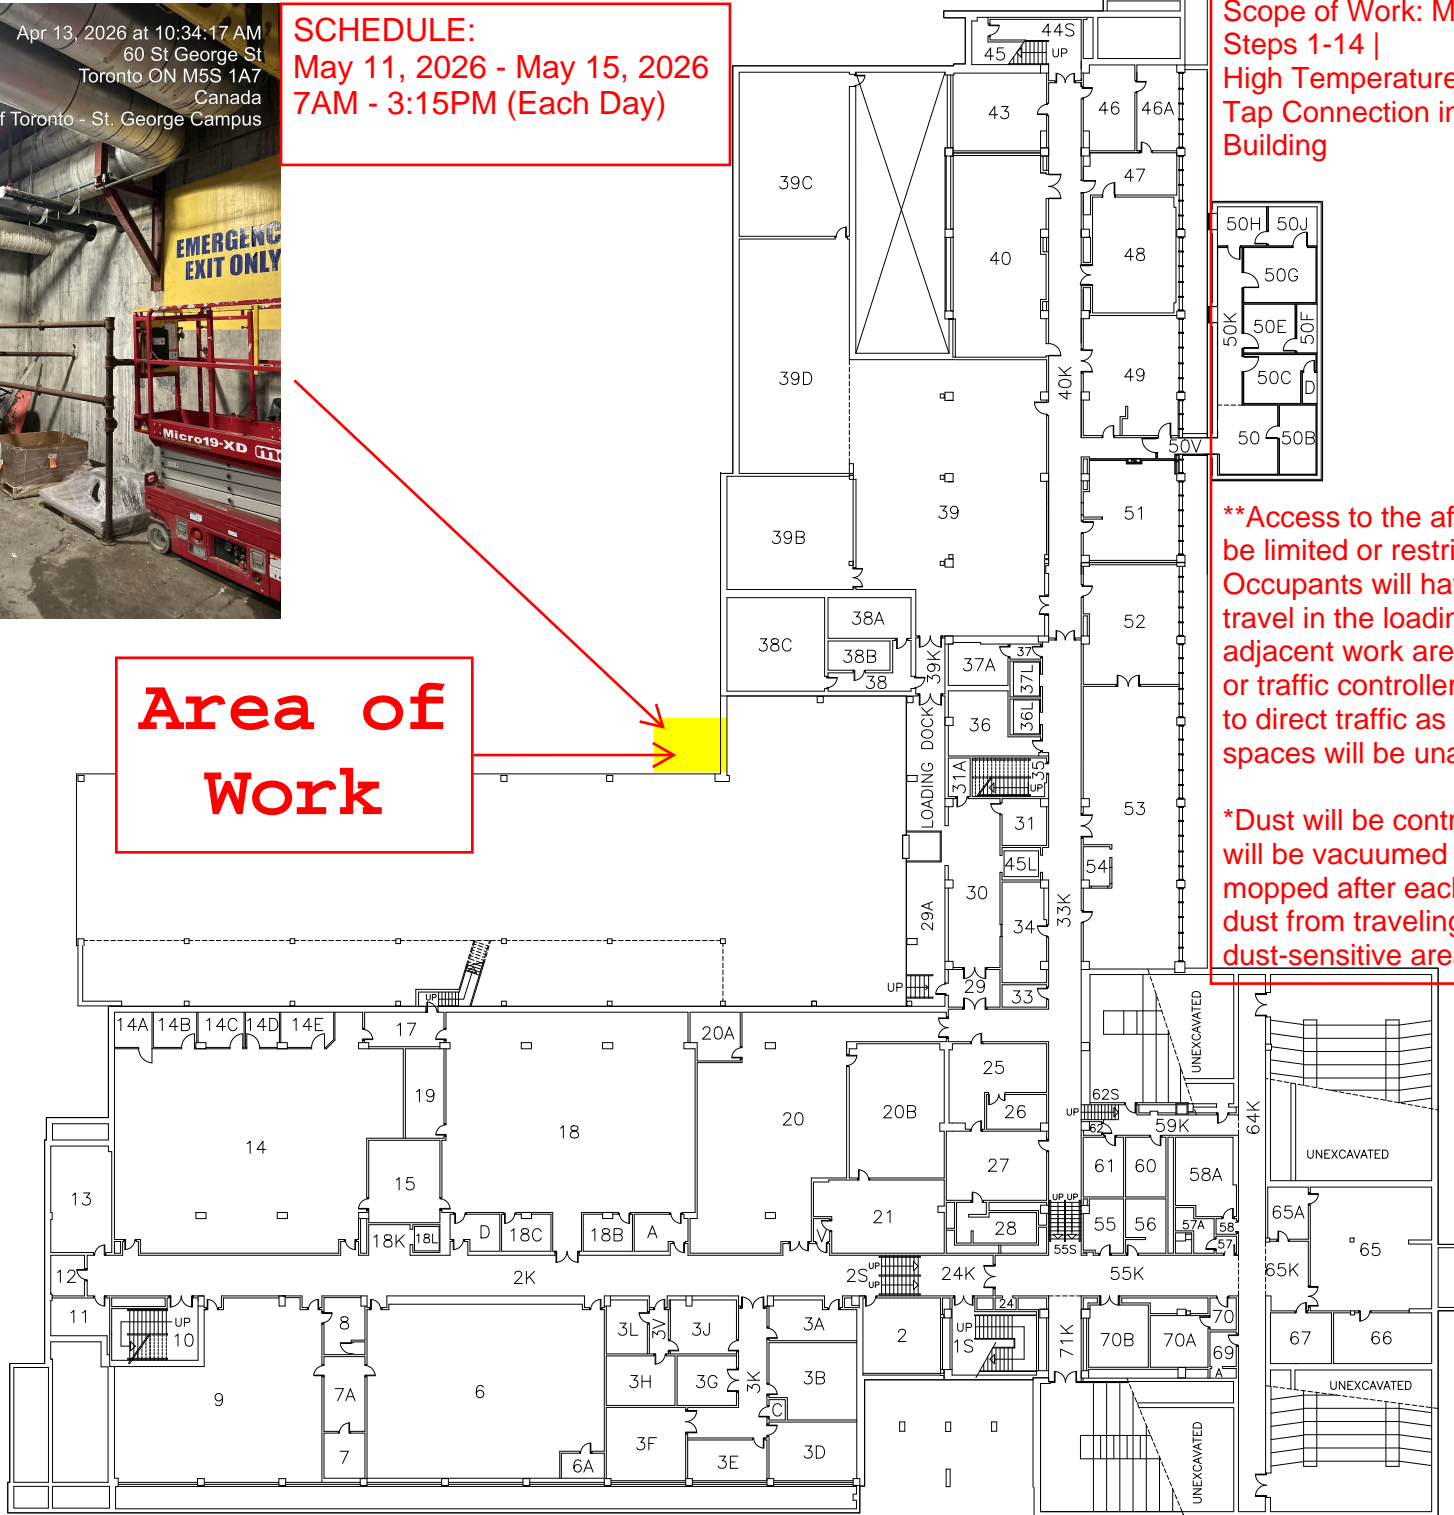

**SCHEDULE:**  
May 11, 2026 - May 15, 2026  
7AM - 3:15PM (Each Day)

**Scope of Work: MOP #34 -  
Steps 1-14 |  
High Temperature Heating Hot  
Tap Connection in Existing  
Building**

**Area of  
Work**

**\*\*Access to the affected area will  
be limited or restricted for safety.  
Occupants will have a path of  
travel in the loading dock and  
adjacent work areas. Flag people  
or traffic controllers will be on site  
to direct traffic as needed. Parking  
spaces will be unaffected.**

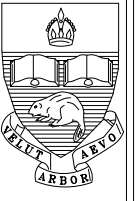

**\*Dust will be controlled, and floors  
will be vacuumed and wet  
mopped after each shift to prevent  
dust from traveling to nearby  
dust-sensitive areas.**
